

TEFL Course Admission Requirements

International Students

In order to register for the course, you should:

1

be at least 18 years old;

2

have successfully completed high school with university exemption (proof will be required);

3

be proficient in English²;

4

be computer literate and have access to a computer, laptop or smart device for the duration of the course;

5

be able to commit to 4 weeks of intensive training for the full time course (i.e. it is not possible or advisable to attend this course if you have other commitments such as work or studies).

¹An undergraduate degree is an advantage, but not required.

² Please note that it is not necessary to be a native speaker of English, or to have previous teaching experience. If English is not your first language, you will need to demonstrate your proficiency level through any one of the following: IELTS band 7.0; TOEFL 96 points; Cambridge Advanced Examination (CAE).

* mature students [over 24 years old] will be considered on their own merits
